

# METROPOLITAN COLLEGE CAREER PATHWAYS

## FINANCE AND ACCOUNTING

### PROGRAM DETAILS

This program enables Metropolitan College (MC) students who are pursuing a bachelor degree in business to gain experience in finance and accounting while developing relationships with finance and accounting professionals across UPS. While working in finance or accounting, MC students will engage in mentoring, gain hands on experience, and develop skills for future full-time permanent positions.

### CANDIDATES

Metropolitan College students interested in pursuing a career in finance or accounting have the opportunity to learn and connect with UPS Air Region Finance

### EMPLOYMENT OPPORTUNITIES

- Job shadow opportunities
- Career discussions 12 months prior to graduation date
- Quarterly communication (Newsletter, personalized emails, etc.)
- Metro College shares internal job listings
- Possible career placement near or upon student's graduation (based on position availability)

## BECOME A TOP CANDIDATE

Continually update your resume; send to UPS Air Finance to gather feedback

Job shadow UPS professionals to learn more about future work in the industry

Sign up for the UPS Finance and Accounting newsletter and follow up on opportunities listed

Attend UPS Finance and Accounting events to network with others in the industry

# REQUIRED PROFESSIONAL SKILLS

MC students are encouraged to take advantage of networking opportunities, keep an open mind, learn as much as you can, and ask questions. Below are some skills you should develop to pursue finance or accounting opportunities at UPS:

- Business knowledge and financial acumen
- Detail-orientated with effective time management skills
- Drive business value through data and analytics, leveraging insights from data to make business decisions
- Design and implement technical solutions
- Organize, summarize, and manage project lifecycles that impact cross functional teams
- Drive innovative solutions that improve customer experience
- Researches and interprets financial data and trends to provide insights to management
