

Norton Healthcare-UPS Health Care Career Tracks

Get on track for a health care career

Norton Healthcare-UPS Health Care Career Tracks offers current UPS Metropolitan College students an opportunity for a **tuition-free** pathway to a health care career from two of the area's largest employers and community supporters.

Program benefits

Norton Healthcare-UPS Health Care Career Tracks prepares you for specialized health care careers and offers these additional advantages:

- **Tuition assistance:** You'll receive tuition assistance for your college education, reducing or eliminating your student debt.
- **Self-paced education:** There is no time limit to complete coursework within this program. You can complete your credits on a timeline that works for your schedule.
- **Connection to two leading community employers:** Norton Healthcare and UPS share many of the same values and support a positive employee experience. Both provide their employees with competitive benefits, financial planning and career coaching.
- **Access to health care symposiums and presentations:** Affiliation with Norton Healthcare gives you access to special presentations and events, job shadowing opportunities, and quarterly academic check-ins. Once you are enrolled in the program, you will receive communications from Norton Healthcare about available programming, volunteer events, student resources and more.

Available career tracks include:

- **Diagnostic imaging**
- **Laboratory science**
- **Nursing**
- **Pharmacy technology**
- **Respiratory therapy**
- **Surgical technology**

Health Care Career Tracks

Start your journey with Norton Healthcare-UPS Health Care Career Tracks through these steps:

Step 1 Enroll in the UPS Metropolitan College Program

Visit **Metro-College.com** to learn more and apply. Prerequisite course options are available through:

- Jefferson Community and Technical College (JCTC)
- University of Louisville (UofL)

Step 2 Receive educational and professional perks through UPS, including:

- Earn up to \$21 an hour
- Eligibility for bonuses based on your academic performance
- Paid tuition up to the in-state rate for full-time undergraduates at JCTC or UofL

Step 3 Participate in Health Care Career Tracks events featuring Norton Healthcare opportunities, such as:

- Career coaching and exploration
- Health care symposiums
- Job shadowing

Step 4 Engage with Norton Healthcare

After completing your prerequisite coursework, you will begin your professional track courses at JCTC or UofL. You will have further opportunities to engage with Norton Healthcare, including:

- Applying to become a Norton Healthcare Scholar and receive tuition assistance
- Applying for a student role in a Norton Healthcare program
- Applying to work at Norton Healthcare with a flexible schedule to fit around your coursework
