Summer 2026: May, June, & July

STAY INFORMED: WHAT'S HAPPENING THIS SEMESTER

Summer means it's time for students to be registered for their summer and fall 2026 courses! Priority registration has now passed for both UofL and JCTC for Summer & Fall enrollment. During May, June, & July students can expect to sign their summer and fall agreements. Students may contact their MC counselors for assistance.

Ways to Support Your Students Success:

As an MC participant, your student can take even more advantage of MC benefits by taking summer courses at either JCTC or UofL! Encourage your student to stay on track by utilizing the same benefits they receive in the fall/spring semester during the summer term.

NEW LAUNCH: MC TOTAL BENEFITS CALCULATOR

In Spring 2026, MC launched the Total Benefits Calculator. Explore the ways in which your student can maximize their benefits by estimating their savings and perks by semester. Learn how your student could even stack benefits!

Metropolitan College Total Benefits Calculator

Estimate your stacked semester benefits for both pathways so you can confidently choose the best path to maximize your support while earning your degree.
